The David School
Education Changes Lives

THANK YOU!

The David School trustees and everybody at the school are extremely grateful for all the help they have received in the last few weeks, especially the shoes, the sponsorship for trainee teachers and the donation for texts for secondary pupils.

SHOES

In the last edition it was explained that many of the secondary pupils walk many miles to attend classes, and needed shoes or trainers, and the response has been amazing!

500 pairs have been collected from all over the country, and thanks to the loan of a van from Ramsey Motors, they have been taken to the shippers in London. No more shoes are needed at present, thank you.

Thank you to all 'the Rotary Clubs, groups and individuals who contributed. A magnificent effort.

STUDENT SPONSORSHIP

The young men on the right, all David School former pupils, have been working as classroom assistants for the last two years. Now thanks to some fantastic sponsorship, they will soon start a three-year training course leading to Higher Teacher Certificate level. This is a part time course, so they will still be able to work at the school, whilst studying at weekends and evenings at college in Freetown.
